BOIL WATER ORDER LIFTED FOR RANCHO DEL CAMPO

Test Results Show Bacteria Absent in Drinking Water Supply

The County of San Diego Department of Environmental Health has lifted the Boil Water Order for the Rancho del Campo community water system, effective immediately. Follow-up water samples taken on Friday, August 11th (received August 14th) indicate there are no coliform or E.coli bacteria in the water supply. Based on the initial sample results, the County issued the Boil Water Order as a standard precaution to protect public health.
